playing with the lasso and bulls with typed horns.

'There was to be a great bull-light on the fenst of San Schusthan, and Nunez was to try his skill there for the third time in his capacity of espada. He was considered by the muthurities the rising stur' as a muth-lighter, and almost equal to Montes la point of courage, daring and dexterity. If was always very kind to me, and rather picked me out from any comrades to he his constant companion. I was much flattered, of course, by his distinction. Perhaps f showed my clation too much, for an old buil-lighter (who had served many years in the archa and had retired from public life only

"Just wait and ace,' said old flod-rignez, andly, 'I shall not go and sae him fight, because I could not bear to see him killed, for I lova bim.' And saying this he left me.

had served many years in the arona had served many years in the arona had retired from public life only to be master in the school at San Sebastiano, with a pension from the tior ornment) and to me onn day:

"All hijo, you will not misunder stand me if I give you a word of warning, will you?"

"I shall only be too grateful to you,"

"I shall not die before my time, ghost or no ghost; and if f am to die I markets. But I do not believe your superstition."

"Il ovidently thought no mere about the meaning for the next day, ho was

see h'm killed, for I lova blm.' And saying this he left me.

"I turned the matter over in my mind an I came to the conclusion that Rodrignez was getting silly, and that I had better montion nothing of what he hiad told me to any oac.

"The days passed, and Nunoz was still the gayest of us all; as huppy and gentle, as unsellish and thoughtfel lor others as usual, and more beloved than over. My fears and terrors for him had almost ceased, whan one day I happened to go with Nunez to the arons to watch him practice with a bull. I sat on the barrier and watched the per

"Mr. Osbern, I come en a peenliar errand. As you perceive, I nm n geodlocking yeung man of lascinating manners, and rendily win the smiles of the lair sex. Now, If I had some money with which to board in a fashinnable locality high polyh drive a dog with the same money with which to board in a fashinnable locality high polyh drive a dog with the same money with which to board in a fashinnable locality high polyh drive a dog with the same money with which to board in a fashinnable locality high polyh drive a dog with the same manner when the with which to board in a fashionable to take from the calendar house bill locality, join a club, drive a dog eart in the Park, dress well and get in the social swim, in less than six months I could marry an heiress. I propose that you advance me, say two thousand dollars, and take your changes, and a pass it anadmous consent to take from the calendar house bill No. 14,796 and pass it under a suspension of the rules." The calendar was hastily consulted, when it was discovered that house bill No. 14,796 provided for the erection of a public

Arr. Oshorn striced at the scribe with a broad grin, and then began to laugh. "Well," he said, "if that isn't the strangest scheue I've had proposed yet, and I have been in Broad street a gnod many years. My dear young friend, I am delighted to have uet to my seat. If I don't succeed his second have given been every har extended to have uet to my seat. If I don't succeed his second have the passage of that bill involved the right to my seat. If I don't succeed his second have the passage of the bill involved the right to my seat. If I don't succeed his second have the passage of the bill involved the right to my seat. If I don't succeed his second have the passage of the bill involved the right to my seat. If I don't succeed his second have the passage of the bill involved the right to my seat.

The reporter was ant discouraged. He did not desire in his heart to have monoy thrust on at one fell awoop. On Wall street, where the setting sunstatuesque hend, a firm of bankers and stockbrokers occupy a basement. The bead of the tirm is of reputed abrewdness to business, and the reporter was anxious to hear the explosion that would follow a proposal of that ktud to hum. He listened attentively and then and: "I happen to know of a case of this kiud which occurred in Boston. A well-to-do friend of mine knew a very handsome clerk at the desk. One day ned a handsomo new dress and got handsome clerk at the desk. One day he offered to stake him on his mntrl monial chances. The young man took

the money, went into society, met an heiress, cultivated her and became cugaged to her. She was a girl of common sense, and wanted to know mare about the young man than be had communicated to her. Some Iriend looked up his record and surprised looked up his record and airmised what could not be learned definitely. One day when the handsome lever drove up to her door with his dog-enri lor n drive, a servant hunded him a uote. It suggested to him the advisa-hility of returning to his desk like nn bonest man, as he was forbidden to bonest man, as he was forbidden to enter her house again. My Boston friend has never experimented since, and I do not propose to begin now, even II I knew you were to be married to-morrow and would return my money doubled the next day. To tell the truth I don't wish to discourage your venture; one kind of gambling Is as good as another in these days, and no doubt you would make as good

Montgomery Howard, an Elliott county constable, some time ago.

Mercer Gordon lost two barns by fire on Sunday last. His entire crop of tobacco was consumed together with fifty dollars worth of agricultural tools. Insurance \$250 on each barn; \$300 on tobacco. His loss amounts to about \$1,200.—Harrodsburg Democrat. burg Democrat.

There live on adjoining farms within a few niles of Stanford, four men whose combined ages foot up 314 years. They are James Eubanks, aged 93: Greenberry Bright, 83: feather will neighbor new the following men, however poor. Now, if you can fairly win the affections of a rich girl, ten to one her feather will neighbor new the new to see their dangeters married to homorable young men, however poor. Nothing that the City Council did during the year now drawing to a close gave more universal satisfaction than the passage of the ordinance numbering tin atreets. Now let them begin the new year by orderwho ling the houses numbered and author-Bot- izing a consus and they will merit home anew the plaudits of the people.

> On Thursday evening the city authorlties granted permission for fire works to be exploded on Main street. This was done in a kind and obliging apirit but the privilege was wefully abused. A fusliade was haugurated immediately after dark and by seven o'clock a boisterous crowd had aucceoded in driving all shoppers off the streets and killing the trade for the evening. For an hour or two the roman candles, rockets, etc. were fired into the air, but finally, as the night wore on, the crowd began to grow disorderly and began to shoot them at each other and at passers-by. This soon developed into a disgraceful and dangerous carcousal, in which several aniall boys were badly hurt. One lad named Howard Smith was shot in the eye with a roman candle and after a physician in all cases where taxes are not so that dressoil the injured optic he was pair the Collector is required to sell and that with two colleges and two private achools in the city which are attended by 250 pupils. THE WEED

General Tobacco News.

Lively Times at Louisville.

[West Tob. Journal] If there is a lively Tobacco market anywhere, it must have been and still Is at Lordsville, Ky., from the variety of things occurring there lately. First came the election of Inspect-

ors which is said to have caused a "warm time" unong the members of the warehousemen's Association A second crop of ripe strawberries five of whom seeded nurbelected fix spectors to sult themselves—which valley, Ca.

settled that difficulty. Next came the formation of a Buyer's Association for mutual protection in case of messily, whereby they can act as a body to detend the const. a 400-ac rights of any one buyer, who is a member, against any attempted in justice in connection with the purchase of Tobacco that does not come in the Pacific in the Pacific

np to sample.

Next in order came a suit, kegan Next in order earne a sim, tegan by the Louisville Hanking Cumpany against buyers who, having once paid for Tobacco they bought, armsked to pay again, because the Hank had loaned money on such Trobacco, and it says held a lieu on the Tobacco, although buyers were no made aware of such fact when they bought it ut unblic merion from bought it ut public auction from trandulent warehousemen, who sold it on account of the Bank. A more unequitable demand was never heard of. The first case came before a jury this week, who had submitted to them by the Court about ferry questions, all bearing on the merits of the case. To every question the than mons finding of the jury was for the defendant—one of the buyers.

Next week we may be able to publish these questions, as this is a case.

lish these questions, as this is a case which interests buyers of untonly Tobacco but every class of merchandise any where which is bought by sample from commission agents. In the case now referred to the Judge (Simrall) of the Law and Equity Court has not rendered his decl lon

a New York Syndicate, as referred to in our Louisville correspondent's report this week.

which was supposed, no doubt erro-neously, to be 181 years ald. It stands is a dangerous anosthetic, and drug-on the land of Deles Hoteliklss, who glats should be careful to label it polon the laml of Deles Hotchkles, who gives shown to careful and solve in mostler, when a girl, played under its branches. The body is four feet in diameter up to the limbs, which are five in mumb r, and each about two feet in diameter. The extent of these is about thirty-six feet. The largest apple free which the writer of this nature is worth \$10,000 a same size, had a trunk which measured 3 feet 10 inches in one direction and 4 feet 6 inches in another, four feet above ground; and the six large limbs, from 18 to 24 inches in diameter, extended things are to be placed in the Capitol at Rome. tropy care ago; it has since fallen;

A cannon that was used in Indian drection and nearly as far on the opposite side. This tree was examined sixteen years ago; it has since fallen; but it was supposed to be but little over a century old. It stood in Westchester County, N. Y.

A romantic scribe thus describes the first kiss of a newly wedded conple: Ye the perfune-swept avenue of love, and under the roseate archivay of Hymen, they had passed into the joy-lit realms of that higher and holier existence where soul meets soul on limple waves of escratic feellng, and hearts touch bearts through through the blended channel of lips In ranture linked.

E Plubribus Unum.

The young man lingered near the managing editor's desk, walting for an appaditment on the regular staff.
"But you drink," said the manager, wishing to let the candidate down

"Yes," said the yenng man; "so dil Alexander the Great." "You are a dude," glaneing at the youth's damlified dress.

'So was Disraeli. "And you are a linr?"

So was Nameleon Roganacte.

"Aml you are head and cars in debt?" "Like Alexander Dumas." "And you are a glutton?"

'So was Peler the Great.'

"And you swear occasionally?"
"So did George Washington?" "You are liable to get drank?"
"Like Danlel Webster."

"You are not a college ma a"
"Neither was Lincoln."

"And then you write a wretchedly Hieghlie hand?"
"Like Horace Greeley."

"Yim can't make a speech?" "Vilke Grant."
"Well," suhl the manager, plunging at a heap of manuscripi, "any how, we don't want yon; yon won't ilo Good morning."

Paris. The young man forced away ex eeedly sorrowful. 'It's no sort of use," ho said. 'A fellow combines in his own brain and person the traits of all the great men from Alex-

raits of all the great men trong arounder to Grant, and can't even get a place on the Brooklyn Eagle. This title al, butter and demanding that world is growing too fast for gening. It is government compel the makers of it to call the goods by the right

Malaria

2500 Years Standing CONQUERED AT LAST.

THE DEADLY MALARIA OF THE ROMAN CAMPANIA AND THE PONTINE MARSHES!

The Rev. W. C. VANMETER, so well known in this country for his good work in rescuing boys from the five points, New York City, and missionary at Rome, Italy, agent of the Italian History and Italian Rome, the manufacture of the Insistence of the Insistency work in and around Rome, the home of malaria for twenty-five hundred years. This is what Mr. Vanneter writes to a friend in Louisville:

"Am using the remety (Wintermith' Tonic or Chill Circo) Mr. Arthur Peter gave me for malarial fever, instead of quinne, and and I's Is GOODI Please call on Mr. Peter and ask him as a special favor to send me more of it. I have need all I had; IT DID ME GREAT GOOIL, I recontrol keep it with me all the time, for I must Work."

WINTERSMITH'S TONIC

AN ANEMY OF .

Monopolies, Oligarchiam, and the
Spirit of Sectional Strife. The Courier-Journal (Hexay Waytrneov Editor-in-Chief), is the acknowledged Rappeseniates Newspaper of the South, is Damocrale in politics, and first, hast, and all the time is fer a reduction of the War Taxas or bested on the popule by the tariff now in force.

The Weekly Courler-iournal The Weekly Courler-Journal

the less weekly newspaper published in the
United States, and for the quantity and quality
of matter that appears in each lessue of tr, it is
the Cucareser. Its lategraphic mass facilities
outclase any other paper, and it has the services
of the abbest writers and correspondent in the
country. It presents the naws rithe weak from
sever section of the World. It gives this readers
throughout the year a greater number of Serlal
and Short Stories by promined and popular
writers than any of the high-optical magasines.
It is in every teapert a Model Political and Family
Paper.

Paper.

The Weekly Courier-Jonrnal has by far the Largeat Oreulation of any Domooratio Newspaper in America.

It is arknowledged by press and people throughout the United States to be a great paper; great in after; great in eleptac; great in stillity; great in the very sense of the word. It laths puper that covey long should the word. It laths puper that covey long should have been supported to the word of the
